

DATASHEET

FREE VENT FOR BULK STORAGE TANKS

CNC 240 Free Vent

240

APPLICATION

Motherwell Tank Protection (MTP) CNC 240 free vent permits atmospheres and vapors to flow freely in tanks or vent riser pipes.

BENEFITS

- Range of **sizes and materials** to suit a wide range of applications.
- **FREE SIZE SELECTION** carried out by MTP, if required, to ensure suitability for venting requirements.
- Customised designs available to meet customer's specifications.
- Quick and easy installation.
- ATEX approved to directive 94/9/EC

PRINCIPLE OF OPERATION

Large streamlined mushroom type weather hood to permit maximum flow. The vent exit opening is fitted with a 304 stainless steel wire mesh screen to prevent the ingress of foreign matter.
